PB&J Sandwiches available every day for \$1.75
(Due to allergies, we use Sun Butter in place of Peanut Butter.)

Any student who brings Peanut Butter to school must inform the homeroom teacher first thing in the morning that they have peanut butter in their lunch.

These students will be seated at the "Peanut" table in the Cafeteria during lunch to insure that any student with an allergy to peanuts is kept safe from exposure in accordance with Federal and State Regulations.

Due to the limited amount of time and volunteers during the lunch periods, **we are not able to accommodate any store-bought microwavable lunch items** (such as soups, "bowls", meals, etc.) as these generally take several minutes to prepare. If a student brings "leftovers" from home that just need to be quickly heated, our cafeteria staff will be happy to microwave those items.
